Summary:

Based on a market study of salaries for Municipal Court Judges with similar responsibilities, we determined that the current compensation for the Municipal Judge position is approximately 40% below the market of what other comparative Municipal Judge compensation packages.

Recommended Action:

Staff recommends a phased approach to this compensation package increase. First, a 10% increase to the Municipal Court Judge's salary retroactive to July 1, 2009, second, an additional 10% increase effective July 1,
